心有自己的邏輯...

腦 → 心  
心 → 腦

# Prepare

上次也在

- Review the patient's chart and other data
- Assess and prepare the physical environment
- Optimize comfort and privacy
- Minimize interruptions and distractions
- Assess one's own personal issues, values, biases, and assumptions going into the encounter.

自己舒適

外在干擾

內在干擾

# Open

我睇到你

- Greet and Welcome the patient and family member present
- Introduce yourself
- Explain role and orient patient to the flow of the visit
- Indicate time available and other constraints
- Identify and minimize barriers to communication
- Adjust your language and vocabulary to that of the patient
- Accommodate patient comfort and privacy
